This postcard was completed for the National Center on Elder Abuse situated at Keck School of Medicine at the University of Southern California and is supported in part by a grant [No. 90AB0003-01-01] from the Administration on Aging, U.S. Department of Health and Human Services [DHHS]. Grantees carrying out projects under government sponsorship are encouraged to express freely their findings and conclusions. Therefore, points of view or opinions do not necessarily represent official Administration on Aging or DHHS policy.
