

WORLD ELDER ABUSE AWARENESS DAY

Building Strong Support for Elders

*Every year an estimated **5 million**, or **1 in 10**, older Americans are victims of elder abuse, neglect, or exploitation. And experts believe that for every reported case of elder abuse or neglect, as many as **23.5 cases** go unreported.*

Everyone can act to protect seniors – no act is too small. **World Elder Abuse Awareness Day (WEAAD)** – commemorated on **June 15th** every year – is an opportunity for you or your organization to take action to protect seniors by raising awareness about elder abuse.
